For commercial and marketing purposes under letters D. and E., the joint Controllers have furthermore jointly determined within the specific agreement, the processing methods and have defined, clearly and transparently, the procedures to supply to the interested party a prompt response in case they wish to exercise their rights, as determined under articles 15, 16, 17, 18 and 21 on the regulation as well as in cases of transferability of personal data under article 20 of the regulations.

Users can ask for an explanation of the legal basis of each treatment at any time.

Processing modalities

The processing of Personal Data will take place through automated and/or manual tools in order to ensure proper security measures to prevent access, disclosure, loss, incorrect, illegal or unauthorized use of data.

Data Sharing

The User's personal data will be processed by the Controller's internal staff specifically authorized pursuant to Article 29 of the GDPR.

Personal data may also be shared with the following external parties:

- i. commercial, marketing, legal, technical service provider and/or software platform provider partners and/or System administrators, hosting providers, ICT companies and communication agencies;
- ii. third-party service providers who perform services for us or on our behalf and require access to such information to do that job;
- iii. subjects who perform banking services, including subjects involved in payment management systems;
- iv. people, companies, associations or professional firms who offer services or assistance for consulting activities to the Controllers with particular, but not exclusive reference to accounting, administration, legal matters, taxes and finance and commercial activities;
- v. subject who perform activities under control, revision and certification obligations of the activities performed by the companies of the Group also in the interest of the clients.

All of the relations with the subjects listed above are - and will be - formalized with a contract pursuant to Art. 28 GDPR (Data Protection Agreement or "DPA").

The updated list of any subjects to whom the personal data of the User may be disclosed and or transferred, is available by contacting us at the above addresses.

With specific consent, the Controllers may disclose the personal data to third-party companies (not part of the Group) who will process it as independent Controllers, for purposes of commercial information, statistical research, market research, direct offers of their products and services.

Data processing locations

Personal data are processed at the headquarters of the Controller, as well as in the servers that host the Website. The Controller ensures that when using cloud providers established outside the EEA, the processing of personal data by these recipients is carried out in accordance with applicable law. Transfers shall be carried out by means of appropriate safeguards, such as adequacy decisions, standard contractual clauses approved by the European Commission or other safeguards provided for in the GDPR.

Data Subjects' rights

The User may exercise all the rights provided for by Articles 15-21 of GDPR, at any time and without unjustified limitations. Requests shall be filed free of charge and processed by the Controller within 30 days.

Specifically, the User can:

- Obtain from the controller confirmation as to whether or not personal data are being processed (Art.15);
- Obtain from the controller the rectification of inaccurate personal data (Art. 16);
- Obtain from the controller the erasure of personal data (Art. 17);
- Obtain from the controller restriction of processing (Art. 18);
- Have the right to receive the personal data in a structured, commonly used and machine-readable format and have the right to transmit those data to another controller (Art. 20);
- Have the right to object (Art. 21).

We hereby inform the User that, under art.12 of the GDPR, if the requests of the User are evidently unfounded or excessive, in particular for their repetitive nature, the Controllers may: a) charge reasonable expense costs, keeping in mind the administrative costs sustained to supply the information or the communication or to perform the action requested or b) refused to comply with the request.

The rights above may be exercised both with the single Controllers and jointly with the Joint Controllers sending written communication to the following email address is:
